

Algebra 2 Quarter 1 Update

Miss Corbett

Hello Parents and Guardians,

In Algebra 2 so far, we have covered:

- Unit 1: Quadratics and Factoring
- Unit 2: Polynomials (currently covering)

Upcoming Units:

- Unit 3: Rational Exponents and Radical Functions
- Unit 4: Exponents and Logarithmic Functions
- Unit 5: Rational Functions

Updated Class Plan:

- Short quizzes every 2-3 sections, corrected in class and graded on completion
- 2-3 quizzes instead of one unit test for longer units
- My availability will be posted in the front of the classroom each week to help remind students when they can come in for extra help

How to Stay Informed:

- Weekly lesson plans and learning objectives are posted to Google Classroom and my website by 8:00 every Monday morning
- Daily notes and assignments are posted to Google Classroom daily
- Class grades are updated daily on Google Classroom and JMC

Class Expectations:

- My classroom guidelines and expectations are posted in my classroom and are further explained in the syllabus, which can be found on Google Classroom as well as my website, MissCorbettMath.weebly.com

My Availability:

- Before School: 7:30-8:00am daily
- During Homeroom: 2:45-3:15pm daily
- After School: 3:15-3:45pm daily*
 - *3:15-5:15pm on Tuesdays

Regards,
Miss Corbett
