Monday (2/20): Presidents Day - NO SCHOOL

Tuesday (2/21): 5.1 Day 1
    In class: Bell Ringer, Inverse and Joint Variation
    Assign: 5.1 Assignment

Wednesday (2/22): 5.1 Day 2
    In class: Bell Ringer, Finish lesson, Work time
    Assign: Finish 5.1 Assignment

Thursday (2/23): 5.2 Day 1
    In class: Bell Ringer, Graph Simple Rational Functions
    Assign: 5.2 Assignment

Friday (2/24): 5.2 Day 2
    In class: Bell Ringer, Finish lesson, Work time
    Assign: Finish 5.2 Assignment

This Week's Learning Objectives:
I CAN write equations to represent inverse and joint variation.
I CAN find the domain of a rational function.
I CAN graph the function $y=1/x$ and translations of the form $y=a/(x-h) + k$.
I CAN evaluate rational expressions at specified points in their domains.
