

# Geometry Quarter 3 Update

Miss Corbett

**Hello Parents and Guardians,**

## In Geometry so far, we have covered:

- Unit 1: Essentials of Geometry
- Unit 2: Reasoning and Proofs
- Unit 3: Parallel and Perpendicular Lines
- Unit 4: Similar and Congruent Triangles
- Unit 5: Right Triangles and Trig  
(currently covering)

## Upcoming Units:

- Unit 6: Quadrilaterals and Regular Polygons
- Unit 7: Surface Area and Volume

## Class Expectations:

- My classroom guidelines and expectations are posted in my classroom and are further explained in the syllabus, which can be found on Google Classroom as well as my website, [MissCorbettMath.weebly.com](http://MissCorbettMath.weebly.com)

## My Availability:

- Before School: 7:30-8:00am daily\*
  - \*Except Wednesdays and every other Thursday
- During Homeroom: 2:45-3:15pm daily
- After School: 3:15-3:45pm daily\*
  - \*Once softball starts, I may not be available in-person after school, but I can still be reached via email.
- My availability will be posted in the front of the classroom each week to help remind students when they can come in for extra help

## How to Stay Informed:

- Weekly lesson plans and learning objectives are posted to Google Classroom and my website by 8:00 every Monday morning
- Daily notes and assignments (with answer keys) are posted to Google Classroom daily
- Class grades are updated daily on Google Classroom and JMC

Regards,  
Miss Corbett
