

## Math 2 Quarter 1 Update

Miss Corbett

**Hello Parents and Guardians,**

In Math 2 so far, we have covered:

- Unit 1: Foundations of Algebra
- Unit 2: Solving Equations and Inequalities (currently covering)

Upcoming Units:

- Unit 3: Factors, Fractions, and Exponents
- Unit 4: Solving Absolute Value Equations and Inequalities

How to Stay Informed:

- Weekly lesson plans and learning objectives are posted to Google Classroom and my website by 8:00 every Monday morning
- Daily notes and assignments are posted to Google Classroom daily
- Class grades are updated daily on Google Classroom and JMC

Class Expectations:

- My classroom guidelines and expectations are posted in my classroom and are further explained in the syllabus, which can be found on Google Classroom as well as my website, [MissCorbettMath.weebly.com](http://MissCorbettMath.weebly.com)

My Availability:

- Before School: 7:30-8:10am daily
- During Homeroom (Except Tuesdays): 2:45-3:15pm daily
- After School: 3:15-3:45pm daily\*
  - \*3:15-4:30pm on Tuesdays through after school tutoring program
- My availability will also be posted in the front of the classroom each week to help remind students when they can come in for extra help

Regards,  
Miss Corbett
