

Monday (1/23): Solving Equations Review Day 1
In class: Delta Math Review Assignment
Assign: Solving Equations Review Delta Math

Tuesday (1/24): Solving Equations Review Day 2
In class: Bell Ringer, Guided Review
Assign: done in class

Wednesday (1/25): Absolute Value Equations Day 1
In class: Absolute Value, Solving Absolute Value Equations
Assign: Delta Math Practice

Thursday (1/26): Absolute Value Equations Day 2
In class: Bell Ringer, Guided Review
Assign: Absolute Value Equations Guided Review

Friday (1/27): Work Day
In class: Bell Ringer, Work Time
Assign: Turn in missing assignments

This Week's Learning Objectives:

I CAN solve multi-step equations in one variable.

I CAN solve absolute value equations in one variable.
