

Monday (2/13): 5.3 Lesson

In class: Bell Ringer, Slope of a Line

Assign: Slope Wkst

Tuesday (2/14): 5.4 Day 1

In class: Bell Ringer, Slope-Intercept and Point-Slope Form

Assign: 5.4 Delta Math

Wednesday (2/15): 5.4 Day 2

In class: Bell Ringer, Standard Form

Assign: Finish 5.4 Delta Math

Thursday (2/16): 5.4 Day 3

In class: Bell Ringer, Converting between forms

Assign: 5.4 Extra Practice

Friday (2/17): Work Day

In class: Bell Ringer, Work time

Assign: Turn in missing assignments

This Week's Learning Objectives:

I CAN identify how changing the slope affects the graph for a function.

I CAN represent linear functions using multiple methods.

I CAN express linear equations in slope-intercept, point-slope, and standard forms.
